

Reporting irregularities and fraud concerning EU aid programmes

Please report all irregularities and fraud concerning EU aid programmes.

IRREGULARITY means any infringement of a provision of the European Communities (including Financing Memoranda, Financing Agreements, contracts) and/or national law resulting from an act or omission by an economic operator (employee, natural or legal persons or other bodies), which has, or would have, the effect of prejudicing the general budget of the European Communities by an unjustified item of expenditure.

FRAUD means any intentional act or omission relating to:

- the use or presentation of false, incorrect or incomplete statements or documents, which has as its effect the misappropriation or wrongful retention of funds from the general budget of the European Communities or budgets managed by, or on behalf of the European Communities,
- non-disclosure of information in violation of a specific obligation, with the same effect,
- the misapplication of such funds for purposes other than those for which they are originally granted.
